Commencement Exercises May 31 Will Mark Firsts

Baccalaureate-Commencement Friday night, May 31, at 7:30 marks a night of firsts for the 1963 University of Tennessee Martin Branch graduating exercises.

Records for size of graduating classes will fall when 153 candidates will be up for their diplomas. This includes 27 candidates for degrees in August. The 126 spring graduates represent an 86 percent increase over last June's graduating class and shows a marked increase over 10 years ago when 14 seniors received diplomas, according to Mrs. Myrtle H. Phillips, registrar.

There will be 24 graduates in the field of agriculture, 15 in business administration, 90 in education, 14 in home economics, and nine in liberal arts.

This year for the first time a number of UTMB seniors will receive recognition for outstanding scholastic achievement. This honor will be indicated on their diplomas. Murphree Bullion, Kay Akin Durden, Nancy Carol Snyder, Sue Carol Walker, Peggy Ann Wall, and Lanny Winston Harris will graduate with honors. Charles T. Edwards and Linda Graham Sandefer will graduate with high honors, and Arvin Neil Napier and Mary Alice Smith will graduate with highest honors.

This is the first year in the past several that the graduation ceremonies take place indoors instead of outside. This year the exercises will be held in the gym.

Because of limited space all faculty members will not take part in this year's graduation.

Dr. E. C. Merrill, Jr., dean of the College of Education at U-T Knoxville, will be speaker for the commencement.

Robert Brooks, former minister of the Martin Church of Christ, will deliver the baccalaureate address. Mr. Brooks is now minister of the Church of Christ at Columbia.

Dr. Andrew D. Holt, president of the University of Tennessee, will award diplomas and give a brief message to the graduates.

UTMB Entrance To Be Tightened In Fall Quarter

Entrance requirements have been tightened for next fall quarter at The University of Tennessee Martin Branch, Mrs. Myrtle H. Phillips, registrar, announced Monday.

According to the plan adopted by the UTMB Committee on Admissions, first quarter freshmen and transfers will be most affected by the change.

Freshmen enrollees who lack either a high school average of "C" or better, or do not have American College Test standard composite scores of at least 15, will not be able to enter UTMB in the fall, Mrs. Phillips stated. They can, however, with approval of parents and high school and college officials, attend a trial session in the summer, winter, or spring quarters.

The trial student must attain a 1.0 average in not less than 12 academic hours. If he drops out a quarter, or fails to attend a second session of summer quarter, the arrangement will be cancelled. However, if the student meets all requirements, he may enroll the following quarter, Mrs. Phillips said.

Cheshier To Give Welcome Speech At Aloha Tonight

Traditional Aloha Oe ceremonies to be held tonight at 8 o'clock will mark the beginning of the commencement activities on the UTMB campus.

The significance of Aloha Oe as it will be explained in a foreword on the inside front cover of this year's program is as follows:

"Aloha Oe, one of the most solemn and dignified of all The University of Tennessee traditions, was begun at the parent institution in 1926. It became a part of the traditions of the Martin Branch when the latter was founded in 1927. Today senior students at U-T Knoxville and U-T Martin relinquish the Torch of Preparation for the Torch of Service. This light, which the senior attains as a student, he then shares through service to his fellowmen.

"All seniors participating in Aloha Oe and the outstanding students are presented awards at this time. On the same night the newly elected All Students Association officers are installed.

"This is a most impressive and beautiful ceremony—the long files of students bearing their symbolic tapers, the many inspirational talks and the recognition of the part the University is playing in the development of the state of Tennessee."

An address welcoming the members of the graduating class to the ranks of alumni will be given by Cavit C. Cheshier, class of 1953, who is assistant executive secretary of the Tennessee Education Association. Mike Moss, president of the senior class, will make the response.

Following the lighting of the cross and lighting of the torch, the alumni pledge will be given by Larry Wade, class of 1962. The torch will be passed to the seniors by Nancy Bradshaw and Marcella Ryan, both of the class of 1962. The traditional taps, marking the end of undergraduate days, will be sounded by George Stewart and Jerry

Captain McHugh Comes To ROTC

Captain Thomas E. McHugh, Quartermaster Corps, has joined the UTMB faculty as assistant professor of military science for 1963-64 school year.

Captain McHugh entered the military service in 1956, and is a graduate of the University of Rhode Island where he received a bachelor of science degree in industrial management.

Before coming to UTMB he served a tour of duty in Korea. In addition, Captain McHugh has also served in Germany.

Captain McHugh has attended the QM Basic Officers Course, the QM Advanced Officers Course and the QM Petrol Surety Course at Fort Lee, Virginia. He has also attended the Associate Field Artillery Course at Fort Sill, Oklahoma.

He and his wife, Barbara, and their daughters, Patricia Karen Cheryl, and Beth, will make their Martin residence at 429 Parrish Street.

Thorne. The lighted cross on the football field will form the background of activities.

Newly elected officers for the All Students Association for 1962-63 will be installed.

The presentation of academic honors and special awards will be made by Prof. William H. Baker, head of the Business Administration Department at UTMB.

The two students chosen by each department as the most outstanding are:

James Lloyd Byford, first in agriculture, lower division; John Markham, runner-up; Taylor Johnston, first in agriculture, upper division; Murphree Bullion, runner-up.

Judy Wright, first in business administration, lower division; Marilyn Dodd, runner-up; Collins Bonds, first in business administration, upper division; Tommy Edwards, runner-up.

Cleveland, Ohio; and President David Stroud, a junior in agriculture from Watertown, Virginia was elected in a very close runoff election and David was the second ASA president ever elected to succeed himself.

David Stroud Is Reelected ASA President For '63-'64

David Stroud, a junior in agriculture from Watertown, was re-elected president of the All Students Association for the school year 1963-64 in a campus-wide election held May 7.

This is the second time in ASA history that a student body president has been elected to succeed himself. The first was Cavit Cheshier, a member of years ago, according to ASA RECORDS. Incidentally, Mr.

Cheshier will give the welcome address at Aloha Oe.

Serving as vice president for the coming year will be Terry Huffstetter, a junior in liberal arts from Greenfield.

The second run-off election in UTMB's history was held May 11 with Virginia Zachary being the winning candidate for secretary-treasurer. Virginia is a junior majoring in elementary education. She is from Cleveland, Ohio.

David is a member of the board of directors of the UTMB Alumni Association and the Tennessee School of Religion. He was also elected Mr. UTMB and selected to Who's Who in American Colleges and Universities. He is a member of Alpha Gamma Rho Fraternity and the Agriculture Club.

Terry has served as president of the Wesley Foundation and is a member of Alpha Tau Omega Fraternity. He has also participated in various other activities on campus.

This year Virginia was elected Carnicus Queen, and she is a member of Chi Omega Sorority.

Total 347 Girls Reserve Rooms

Latest statistics show that a total of 347 students have reserved a room in the girls' dormitory for next year, according to Russell Duncan, student welfare officer.

The freshman group with 135 reservations all show an increase over the reservations for this time last year. Ninety-eight reservations for the sophomore girls are a slight decrease under last year.

The rent for all the female students next year is \$65 with the exception of those who will live in the new wing of the dormitory. These students will pay \$70, which is \$5 extra, for the new, air-conditioned rooms.

PRINCESS SANDRA

Senior Selected Dairy Princess

Sandra Bell, UTMB senior, was selected Weakley County Dairy Princess in the annual contest held here April 23.

Sandra is majoring in secondary education with endorsements in health and physical education. She will do her student teaching this summer and graduate in August.

She was crowned by Rosalyn Atkinson, UTMB junior and 1962 Weakley County Dairy Princess. Turners' Dairy presented the new princess with a \$100 scholarship.

The 1963 Dairy Princess Contest was sponsored by the Weakley County Dairy Council. The new princess will represent the council in the State Dairy Princess Contest, the Miss Weakley County Contest, and other beauty pageants and festivals throughout the year.

Nancy Tice, UTMB sophomore, was first maid in the contest, and Carol Sue Moore, UTMB freshman, was second maid.

Several Amendments Adopted By Interfraternity Council Meet

Several amendments to the by-laws concerning rush procedure were adopted by the Interfraternity Council in the meeting held recently at the Pi Kappa Alpha fraternity house.

Instead of having individual nights for each fraternity smoker, only two nights will be provided. Rushes will be divided into two groups. Group A will attend progressive parties of two-hour duration at the houses located on Oakland Street, while Group B will attend smokers at the houses on University during the same night. The following evening the two groups will switch.

Under deferred rush, first quarter freshmen would not be allowed to pledge due to the problems of adjustment, grades, and others which present themselves before the new student. On the preference sheet, the rushee would indicate three possible fraternity choices after he had attended each party, while each fraternity would also send a list of the pledges it would be willing to accept. From these two sheets, the IFC would send out bids thus cutting down on time and trouble.

In other action, the council adopted a new system of registration, a new method of collecting fees, and agreed to furnish information about the council through pamphlets and brochures.

Rushee registration will take place at a booth set up in the ABL building during orientation. Those who are interested in pledging will pay a dollar fee there to cover IFC expenses, which will entitle him to participate for a year unless dropped. The final deadline for

Entertainment for the banquet was various skits by Alpha Psi Omega members and Doug Biggs at the organ. Miss Linda Long, Alpha Psi Omega's candidate for the Miss UTMB pageant, did the musical skit from "Subways Are For Sleeping."

Two new members are pledging Alpha Psi Omega this quarter, Sue Yasso and Mike Rinehart.

Miss Hollabaugh To Head Volette

Several UTMB students have been named recently to fill vacancies on THE VOLETTE staff for next year, and other changes are planned for the campus newspaper, according to Olivia Hollabaugh, editor.

Patricia Currie, a sophomore from Trenton, majoring in education, has been selected to fill the post of associate editor.

Business manager for 1963-64 will be Ken Roberts, a freshman in liberal arts from Sharon.

Clare Nell Chandler will take over as clubs and organizations editor, and Ernie McCall will remain in charge of features.

David Duncan will continue his duties as sports editor, and Charles Howell will take over circulation.

Olivia Hollabaugh will continue as editor for the coming year, and a number of reporters and feature writers will remain as members of the staff and others will be added.

Beginning next fall THE VOLETTE is scheduled to be published weekly, except when there is some schedule interference, rather than every two weeks as it has been in the past. The paper will consist of four pages instead of eight, but the news and pictures will be more recent. THE VOLETTE will again be tabloid size and will still be printed by the offset method.

1963 Volunteer Coming May 24

The 1963 VOLUNTEER will be delivered on May 24, Mrs. Mildred Payne, sponsor of the annual staff, announced yesterday.

Students who have already paid for their annual may take their receipts to the business manager's office in the Administration Building on that day to receive their annual. For those students who have not purchased an annual the price will be \$7, Mrs. Payne said.

Plans for the 1964 VOLUNTEER have already begun with the naming of George Shankle as next year's editor-in-chief. However, there are several vacancies still to be filled. Some of these are business manager, Greek editor, sports editor and typists. Anyone interested in any of these positions should write a letter of application to Mrs. Mildred Payne, Room 308, Administration Building.

June 10 Date For Summer Registration

Registration for both terms of summer school will be held from 8 a.m. to 5 p.m. on Monday, June 10, in the Administration Building.

Classes for the first term will begin at 7:30 a.m., Tuesday, June 11 and continue through Friday, July 12. Final examinations will be given at the last class periods Monday and Tuesday, July 15 and 16.

Classes will be dismissed July 4, for the national holiday.

Registration of new students for the second term will be Tuesday, July 16 and classes will begin Wednesday, July 17, at 7:30 a.m. Final examinations will be given at the last class periods Wednesday and Thursday, August 21 and 22.

Fall quarter registration will be held Monday through Thursday, September 23-26.

Students attending the summer session will live in the main residence halls. Rates are \$25 per term, payable in advance.

Students provide linens and accessories.

The cafeteria will not be open to students during the summer. Students may secure meals at private establishments bordering the campus.

Tuition is free to residents of Tennessee. They pay only the maintenance fee of \$30 per term, all courses, and activities fee of \$1 per term. Non-residents of Tennessee must pay tuition of \$50 per six-week term. The student's residence is determined by the residence of his parent or guardian.

The summer session offers especial advantages to certain students including high school graduates who want to earn a college degree as soon as possible, teachers who wish to improve their professional standing, students whose schedules have become irregular or whose academic averages are slightly below requirements, and beginning students whose high school average and ACT rankings were not high and who may be expected to experience difficulty with college work.

Is Barnwarmin' Outmoded?

What to do about Barnwarmin' is the current question on the UTMB campus.

At a recent ASA meeting a group of students made the suggestion that UTMB needs a better social, one which would appeal to more students, to climax the annual Homecoming celebration. These students said that since UTMB started out primarily as an agriculture and home economics college Barnwarmin' was then quite appropriate, but now that other majors have been added, this informal party is not satisfying to all students and alumni.

Students on the other side of the question maintain that Barnwarmin' has become one of the few real traditions on the UTMB campus, and that it would be unfair to do away with it. It is one of the few socials during the year which is open to all students and for which students are invited to dress informally.

Several suggestions have been made concerning a possible solution for this controversial issue. One is that Barnwarmin' be moved to Friday night, following the bonfire and pep rally and Saturday night be left open for a semi-formal social to be sponsored by the ASA.

Another suggestion is that the name and program of Barnwarmin' be changed and it be left on Saturday night. It would be sponsored by campus organizations in cooperation with the Ag Club.

The final possible outcome, which would not be any more satisfactory than what has been done for the past few years, would be that Barnwarmin' remain what it is on Saturday night and another semi-formal be held somewhere else at the same time. This would place two major socials in competition with each other and neither could be as successful as if they were combined.

Possibly none of these may be the answer to the problem. Questionnaires from an ASA committee have been sent to all students through campus mail, and it is important that these be filled out honestly and returned so that the group may get an idea of what the majority of the students really want.

There is also a petition in circulation concerning this issue. It is equally important that students read this and give the matter serious consideration before signing or refusing to sign it.

These things will directly affect our next Homecoming. Tradition may win out and Barnwarmin' remain the same, or it may be the beginning of a new Homecoming tradition.

Seniors To Try Wings

Each year seniors are told that their graduation marks not merely the end of one period of their lives, but the beginning of a new one as well. This is true, but the thought about it's being the end of one period should not be dismissed lightly.

Graduation from college marks the end of carefree college days. It marks the end of a certain amount of authority and restriction placed on students. It marks the end of the days of being excused for questionable activities because "he's young and he's in college."

By the time a person has completed four years of college work, he is supposedly ready to go out into the world, on his own, so to speak, to build his life. It is up to the individual to set his goals and work to attain them. Part of this has already been accomplished by the period spent in preparation for graduation. Much more is to come in the years that follow graduation.

So congratulations, graduates. You have laid the ground work for your lives. Now take what you have learned and use it to build your future.

Thanks For Everything

In this, the last issue of THE Volette for the year, I would like to say "Thank you" to all of the individuals who have helped in any way with the publication of our college newspaper this year.

Members of the staff have worked hard and they have done a good job. Were it not for special editors, managers, assistants, reporters, and typists there could be no Volette. Most of the work done on THE VOLETTE is done on a purely voluntary basis, and it requires more time and effort than many students realize. Members of the staff are to be commended for their work this year. They have shown a sense of loyalty and of responsibility to a worthwhile project.

I would also like to thank the UTMB administration and faculty for the cooperation which they have given members of THE VOLETTE staff in helping get out the news of the college community.

Hamburgers And Helicopters Figure In Wimpy C.'s Career

By ERNESTINE MCCALL

Hugh Winthrop Colville, Jr., a UTMB senior, is a young man of quite interesting character. Winthrop, as he is known at home, has been engaged in a variety of activities extending from intellectual feats to falling off of buildings.

Winthrop, who is better known on campus as "Wimpy," was given his nickname at a picnic after performing a wily little act. Consuming 13 hamburgers in the same meal is just one way to pick up a nickname that sticks with you.

"WIMPY" COLVILLE

Serious-minded, intelligent "Wimpy" graduated from Union City High School and entered UTMB in September, 1953. "Wimpy's" first two years on this campus were glamorous ones. He was drum major of the first ROTC Band and an ASA council member. Having an enthusiastic interest in sports, "Wimpy" obtained his Water Safety Instructor's Badge and was, to his delight, elected as cheerleader. Aside from being high point man in the swim meet, "Wimpy" was also diving champion. Since he has always liked swimming, boating and water in general, it was only natural for "Wimpy" to go into the Navy after deciding to leave school.

While stationed at Pensacola, Fla., he was drum major of the Cadet Band and traveled to numerous colorful scenes such as the Mardi Gras and the Orange Bowl. During this same time, "Wimpy" was also trained to be a helicopter pilot. He made both cross country and western Pacific Cruises. "Wimpy" fondly remembers that his squadron was the very first to receive a new type helicopter that could fly and hover automatically at night.

"Wimpy's" job carried him to China, and while there he remembers a special incident in which ricksha boys pestered him unmercifully. "Wimpy" cunningly solved this problem by learning to say "Queen Mary's Hospital" in Chinese. It seems that this building is situated at the top of a big hill,

and ricksha boys just didn't want to pull anyone up that far. "Wimpy" said they literally ran from him when he declaratively spoke the three Chinese words he knew.

On being discharged from the Navy with the rank of lieutenant, junior grade, "Wimpy" returned to Martin Spring quarter, 1960, and once again entered school, this time in the physical education curriculum. At present, "Wimpy" is "Dorm Daddy" or host of the Main Men's Dorm. He has the same duties as the dorm mother plus the fact that he frequently turns into a counselor-type position.

"Wimpy" is also business manager for THE VOLETTE. He knows where the good purchases in town are and tries to pass these on to the students. "Wimpy" said an advertiser usually does not mind, if a comical error is made in his advertisement. He told of an example illustrating this in which an apartment was advertised to have two widows instead of two windows. However, "Wimpy" smiles slyly when he says he has not been blessed with any of these useful mistakes. Although this position takes up much of his time, "Wimpy" finds it a most interesting way to make new friends through both readers and advertisers.

After a 10-year interval, "Wimpy" is finally looking forward to graduating. His plans for the future are somewhat indefinite.

Nancy Kay Tice Will Take 'Grand Tour' This Summer

By PATRICIA CURRIE

"Europe, with a French Accent" foretells an exciting summer ahead for Nancy Tice. Nancy's opportunity began with a Christmas card she received from her cousin, Dr. Harry M. Hatson. He wrote of his opportunity to lead a tour of 25 college students and teachers and laughingly suggested that Nancy go with him. Nancy says, "I'm still not sure that it's really a reality!"

During the summer, Nancy will visit Scotland, England, France, Italy, Switzerland, Germany, Belgium, and Holland.

"Old Europe" will come alive with visits to the Tower of London, Notre Dame Cathedral, Shakespeare's birth place, and old Rome. Nancy predicts, "This tour is going to be as much educational--strictly speaking--as it is recreational. The material I've studied thus far will be much more meaningful to me after I have actually stood on the soil where many of the events occurred."

Music Section Gives Concert

The University of Tennessee Martin Branch Music Department presented a spring concert featuring the College Chorus, the Concert Band and the Choralairs in the Music Building, May 14.

The program opened with a spiritual by Manville, "Lord Make Me an Instrument of Thy Peace," followed by "Views in the Night" by Williams, and the Cole Porter arrangement of "Zekiel Saw De Wheel."

Following the opening selections, the Chorus sang three songs: "Variation Overture," by Williams; "Elegy," by Mendelssohn; and "Spirit of Canaveral," by Bernard.

The Concert Band was featured in a number of classical and light classical numbers including "God is a Spirit," "How Lovely is Thy Dwelling Place," "Wanderer's Song," and "When Gently in Slumber."

The Choralairs were featured following the band and sang "Blue Tango," two flute duets and Eileen Bramham and Vivian Beard, "Duetto No. Four," and "Allegro."

The Concert Band closed the program with a medley of songs from "West Side Story," composed by Leonard Bernstein.

The Choralairs and Chorus are directed by Miss Harriet Fulton, head of the music department, and the Concert Band by Glenn Wiesner.

The program was attended by approximately 100 UTMB students and faculty members.

London, Paris, Rome, Brussels, Amsterdam, and urban Europe will provide phenomenal contrasts with the rural Europe of the peasant farmers. She will witness the changing of the Guard at Buckingham Palace, visit NATO headquarters and celebrate Bastille Day, a French National holiday similar to our Independence Day. For a more daring experience, the group will have a "short stop" in Monte Carlo. Most of the trip will be spend in guided tours, but there will be one free day in every major city so the students can leisurely walk around and informally view life in this particular part of the world.

Opportunities will be tremendous and experience invaluable, giving an education that can't be found in book alone. Despite excitement Nancy said, "I hope that I'll be the type of American tourist that America will be proud of, and I hope that after such a trip as this I'll have a better understanding of people in another way of life."

TILL WE MEET AGAIN

With today's installment I complete my ninth year of writing columns in your college newspaper for the makers of Marlboro Cigarettes. In view of the occasion, I hope I may be forgiven if I get a little misty.

These nine years have passed like nine minutes. In fact, I would not believe that so much time has gone by except that I have my wife nearby as a handy reference. When I started columnizing for Marlboros, she was a slip of a girl—supple as a reed and fair as the sunrise. Today she is gnarled, lumpy, and given to biting the postman. Still, I count myself lucky. Most of my friends who were married at the same time have wives who chase cars all day. I myself have never had this trouble and I attribute my good fortune to the fact that I have never struck my wife with my hand. I have always used a folded

It's a rare and lucky columnist

newspaper—even throughout the prolonged newspaper strike in New York. During this period I had the airmail edition of the Manchester Guardian flown in daily from England. I must confess, however, that it was not entirely satisfactory. The airmail edition of the Guardian is printed on paper so light and flimsy that it makes little or no impression when one slaps one's wife. Mine, in fact, thought it was some kind of game, and tore several pairs of my trousers.

But I digress. I was saying what a pleasure it has been to write this column for the last nine years for the makers of Marlboro Cigarettes—a fine group of men, as anyone who has sampled their wares would suspect. They are as mellow as the aged tobaccos they blend. They are as pure as the white cellulose filter they have devised. They are loyal, true, companionable, and constant, and I have never for an instant wavered in my belief that some day they will pay me for these last nine years.

But working for the makers of Marlboro has not been the greatest of my pleasures over the last nine years. The chief satisfaction has been writing for you—the college population of America. It is a rare and lucky columnist who can find an audience so full of intelligence and verve. I would like very much to show my appreciation by asking you all over to my house for tea and oatmeal cookies, but there is no telling how many of you my wife would bite.

For many of you this is the last year of college. This is especially true for seniors. To those I extend my heartfelt wishes that you will find the world outside a happy valley. To juniors I extend my heartfelt wishes that you will become seniors. To sophomores I extend my heartfelt wishes that you will become juniors. To freshmen I extend my heartfelt wishes that you will become sophomores. To those of you going on into graduate school I extend my heartfelt wishes that you will marry money.

To all of you let me say one thing: during the year I have been frivolous and funny during the past year—possibly less often than I have imagined—but the time has now come for some serious talk. Whatever your status, whatever your plans, I hope that success will attend your ventures.

Stay happy. Stay loose.

© 1963 Max Shulman

* * *

We, the makers of Marlboro Cigarettes, confess to more than a few nervous moments during the nine years we have sponsored this uninhibited and uncensored column. But in the main, we have had fun and so, we hope, have you. Let us add our good wishes to Old Max's: stay happy; stay loose.

Veteran halfback Gene Brodie is met by Mike Billings on an end sweep in the Orange-White intrasquad game. Coming up to assist are Cris Holbrook (no. 60) and John Federico (no. 70).

Orange Ogres Tounce Whites By 14-0 Score

Two interceptions led the White squad to a 14-0 victory over the Orange team in the annual spring football intrasquad game held here on the UTMB field Thursday night, April 25.

Roy Wheeler, senior halfback from Greenfield, scored in the closing minutes of the first quarter on a 12 yard pass from Billy Watson, senior quarterback from Johnston, South Carolina. Butch Martin kicked the point after. Midway through the fourth quarter, Watson iced the game with a 11-yard connection with fullback Joe Roberts, sophomore from Memphis, who was waiting in the end zone. Chris Holbrook, junior college All-American from Meridian, Mississippi, got credit for the extra point.

Bad luck plagued the Orange team the entire night. Immediately after the opening kickoff, they drove steadily toward paydirt only to fumble away their first major scoring opportunity of the night on the 10 yard line. They quickly regained possession and started another search for points. However, the fatal pass interception by White defensive back Scotty Gunter ended the drive and set up the first touchdown.

Following the score, the ball changed hands frequently. While several field goal attempts failed, neither team penetrated the 20-yard line. A punting duel between the two Vol teams marked a dead-lock in scoring during the second and third quarters.

Tragedy struck again for Orange quarterback Howard Finley from Dyersburg, when Tom Pickens tore a pass from the air and scampered 45 yards to the 11 yard line. After a three-down Orange defensive stand, Watson tossed his second scoring pass of the night.

The Orangemen put on a final drive late in the final quarter led by Gene Brodie's 67-yard spring down the sidelines. Upon reaching the 30-yard line, downs caught up with the underdogs and the White team regained possession for the rest of the game.

Pickens, junior halfback from Halls, led the White team in rushing with 63 yards for 12

Vols Out-Fox Freed-Hardeman In May 4 Playday Gambol

Sunny skies blessed the UTMB athletic department when it entertained Freed-Hardeman and Bethel colleges in the annual Playday held here Saturday, May 4.

The Vol thinclads closed the occasion with an 83 1/2 to 59 1/2 victory over Freed-Hardeman by winning 10 events and placing second in four others. Earlier in the afternoon, UTMB's women lost in the dash and softball throws, while winning in the archery event. The male arrowers ended up short in their competition. The home team took eight of 15 indoor events losing only in the badminton matches.

Miss Turner of Freed-Hardeman took the women's

carries. Roberts took a close second with 59 yards in 13 takes. Wheeler picked up 41 yards in 10 attempts. Watson gained 18 yards in 10 carries to bring the total team rushing yardage to 181. The quarterback also connected on three out of nine passes for a total of 54 yards. Scott Boehringer, senior end, caught the third pass for a 31 yard gain.

Gene Brodie took rushing honors for the night as he totaled 93 White yards in only 10 takes. Bill Burnette, sophomore fullback from Fulton, Ky., carried four times for 31 yards. Jerry Dyess carried three times for 13 yards, while Finley gained 26 in five carries. This brought the total rushing to 163 yards. Finley completed one pass for 45 yards.

Head coach Robert Carroll said that the game, which climaxed spring practice, clearly showed the strong points and weaknesses of the team, and that extensive preparation will be in order when the Vols open football camp this fall.

softball throw by a 9' 1 1/2" margin over UTMB's Julia Lewis's 164' 1 1/2" effort. Rebecca Strong finished behind her teammate with a 163' 3/4" heave. Turner again placed first in the 50-yard dash with a 6.9 time. McBride and Gill of Bethel tied for second.

In the archery matches, Mary Ross of UTMB was victorious over Carolyn Chestnut of FHC by a score of 198 to 162. Ross's teammate, Ann White, followed suit with a 148 to 135 win over Barbara Boone of FHC. The men did not fare as well. Mike Snow lost to Ervin Upchurch 247 to 233, and Billy Brewer was taken by Gene DePriest 191 to 146. In volley ball, the men and women's team of UTMB took both matches. The women took it in 15-4 and 15-7, and the men won 15-12 and 15-13 over FHC, respectively in the women's singles of table tennis.

The men's singles found Joe Smith defeating Bob Frazier of FHC and Jim Olds of UTMB taking Henry Tann. In the mixed doubles, the two Vol Smiths whacked Franklin and Frazier for a win, after Sarah Smith and Olds had taken Tann and Myers.

Alice Karnes defeated Pat Currie of UTMB in the women's badminton singles. UTMB's Vanda Poole also lost to Christine Myers. Wally Bielewicz and Jerry McClain of UTMB lost to Garvin Claiborne and Henry Tann respectively in the men's singles. FHC's Karnes and Myers teamed up to defeat Poole and Linda Rogers in the women's doubles, while Bielewicz and McClain lost to Claiborne and Tann. Racqueteers Close Out Season With 4-2 Win Over Governors

Vol tennis team members closed the 1963 season with a 4-2 victory over the Governors of Austin Peay Wednesday, May 8.

UTMB's tennis team continued on their winning streak by taking Bethel again by the score of 5-2 in a match May 7 at McKenzie.

Bethel was tripped 5-4 here at UTMB when the Vols took their first tennis victory of the season on a cold, windy Tuesday afternoon, April 30.

Joe Smith and Collins Bonds cleared two single wins, while Eddie Bivens and Larry Guthrie took their singles and paired for the only Vol doubles victory.

UTMB's tennis team came close to earning the season's first victory in a 5-4 match with Lambuth last week on the home courts.

Vol top men equaled the visitors in the singles by scoring three victories but lost the decisive doubles event two to one.

The UTMB tennis team lost six matches to Union University at Jackson Thursday, April 25, in a duel which was marked by close scoring all the way.

Vol Baseballers Close Season With 6-5 Win Over APSC Govs

Vol baseballers brought the season's record to four wins and eight losses by tripping the Austin Peay State Governors 6-5 here Wednesday afternoon in the final game before the VSAC playoff.
